Complainant alleges:

PARTIES

21 1. Janelle Wedge (Complainant) brings this Accusation and Petition to Revoke
 22 Probation solely in her official capacity as the Executive Officer of the Acupuncture Board,
 23 Department of Consumer Affairs.

24 2. Effective July 7, 2005, pursuant to a Stipulated Settlement and Decision, the
 25 Acupuncture Board issued an Order providing that respondent Christopher James Rasmussen
 26 ("respondent") shall be issued a license to practice Acupuncture/Oriental Medicine. Respondent
 27 was subsequently issued License No. AC 10334 on July 14, 2005; however, said license was
 28 revoked upon issuance, the revocation is stayed, and respondent was placed on probation for 5

1 (five) years on the terms and conditions set forth in greater detail further below in this Accusation
2 and Petition To Revoke Probation. At all times herein, said License was in full force and effect
3 and is due to expire October 31, 2010, unless renewed

4 JURISDICTION

5 3. This Accusation and Petition to Revoke Probation is brought before the Acupuncture
6 Board (Board), Department of Consumer Affairs, under the authority of the following laws. All
7 section references are to the Business and Professions Code unless otherwise indicated.

8 4. Section 480 of the Code states:

9 "(a) A board may deny a license regulated by this code on the grounds that the applicant has
10 one of the following:

11

12 "(2) Done any act involving dishonesty, fraud, or deceit with the intent to
13 substantially benefit himself or herself or another, or substantially injure another.

14 "(3)

15 "(A) Done any act that if done by a licentiate of the business or profession in
16 question, would be grounds for suspension or revocation of license.

17 "(B) The board may deny a license pursuant to this subdivision only if the
18 crime or act is substantially related to the qualifications, functions, or duties of the
19 business or profession for which application is made.

20 5. Section 4955 of the Code states, in pertinent part, that:

21 "The board may deny, suspend, or revoke, or impose probationary conditions upon, the

23 "Unprofessional conduct shall include, but not be limited to, the following:

2 acupuncture license.

3 6. Section 4955.1 of the Code states, in pertinent part, that:

4 "The board may deny, suspend, revoke, or impose probationary conditions upon the license
5 of any acupuncturist if he or she is guilty of committing a fraudulent act including, but not be

20 administrative law judge shall not increase the amount of any costs assessed in the
21 proposed decision.

22 (c) When the payment directed in the board's order for payment of costs is not
23 made by the licensee, the board may enforce the order for payment in the superior
24 court in the county where the administrative hearing was held. This right of
25 enforcement shall be in addition to any other rights the board may have as to any
26 licensee directed to pay costs.

27 ...

6 RESPONDENT'S MEDICAL BOARD HISTORY

7 8. Respondent was also previously licensed as a Physician and Surgeon by the Medical
8 Board of California ("Medical Board") under Physician and Surgeon's Certificate No. G 63075,
9 which was issued to him by the Medical Board on or about June 13, 1988.

10 9. On or about February 23, 2000, an Accusation was filed against respondent's
11 Physician and Surgeon's Certificate No. G 63075 by the Medical Board in an action entitled In
12 the Matter of the Accusation Against Christopher J. Rasmussen, M.D., Case No.16-1999-103141,
13 charging respondent with multiple violations of the Medical Practice Act. Respondent was
14 charged with violation of section 141 of the Code as a result of disciplinary action being taken
15 against his medical license in the State of Wisconsin by the Medical Examining Board on or
16 about August 25, 1999. Respondent was also charged with violations of the following sections of
17 the California Business and Professions Code: Section 2239(a) of the Code (the use or self-
18 prescribing of any drug that could be dangerous or injurious to the licensee, or to any other person
19 or to the public); section 4081 of the Code (failure to keep an inventory or dispensing records for
20 any of the drugs respondent ordered and self-administered); section 2238 (violating any statute or
21 regulation of this state regulating dangerous drugs or controlled substances); section 11170 of the
22 Health and Safety Code (administering and prescribing a controlled substance to himself); and
23 section 11173 of the Health and Safety Code (obtaining a controlled substance by fraud, deceit,
24 misrepresentation or subterfuge; or (2) by concealment of a material fact).

25 10. On September 22, 2000, in resolution of Accusation No. 16-1999-103141, the
26 Medical Board adopted as its Decision a Stipulated Settlement and Disciplinary Order. In the
27 Stipulated Settlement and Disciplinary Order, respondent admitted that each and every allegation
28 contained in Medical Board Accusation No. 16-1999-103141 was true, and further agreed that his

1 Physician and Surgeon's Certificate was subjected to disciplinary action pursuant to sections 141,
2 2305, 2239, 4081, and 2238 of the Code, in conjunction with Health and Safety Code sections
3 11170 and 11173. Respondent's license to practice medicine was revoked, with the revocation
4 stayed and respondent was placed on probation for five (5) years subject to several terms and
5 conditions, including but not limited to, "Drugs & Abstain From Use, Biological Fluid Testing,
6 Diversion Program, Controlled Drugs Partial Restriction, Controlled Drug Maintain Records,
7 Monitoring, Spex Exam," and Standard Terms and Conditions.

8 11. Respondent probation period with the Medical Board was thereafter tolled since the
9 effective date of the decision, due to respondent practicing and residing outside California (in
10 Wisconsin).

11 12. On or about August 23, 2004, the State of Wisconsin, Medical Examining Board,
12 suspended respondent's medical license based upon respondent's decision to discontinue
13 compliance with the Wisconsin Medical Examining Board's disciplinary order of August 25,
14 1999. More specifically, by a letter dated June 24, 2004, respondent advised the Wisconsin
15 Medical Examining Board that he was moving from the state of Wisconsin to California to
16 practice acupuncture and/or medicine, and that respondent did not intend to continue his random
17 drug screens in Wisconsin.

18 13. On or about November 3, 2004, the Medical Board issued a full Out Of State
19 Suspension Order pursuant to Business and Professions Code section 2310.

20 14. On or about December 21, 2004, respondent was interviewed by a Medical Board
21 Investigator. Respondent indicated, inter alia, that his suspension in Wisconsin was due to the
22 fact that, at the end of summer, he decided no longer to reside in Wisconsin and that he could no
23 longer comply with the Wisconsin licensure requirements. Respondent felt that opportunities to
24 practice alternative medicine in Wisconsin were limited. He moved to California and began the
25 process of applying for licensure as an acupuncturist.

26 15. On or about January 25, 2005, the Medical Board of California filed an Accusation
27 and Petition To Revoke Probation (Case No. D1-1999-103141) based upon said Out Of State
28 Suspension Order.

1 16. Effective July 7, 2005, pursuant to a Stipulated Settlement and Disciplinary Order,
2 the Medical Board issued a Decision and Order providing that the probationary status of
3 Physician's and Surgeon's Certificate No. G 63075 issued to Christopher James Rasmussen,
4 M.D., (previously imposed via the Decision and Order in Case No. 16-1999-103141, effective on
5 October 23, 2000), is hereby revoked. However, the revocation was stayed and respondent was
6 placed on probation for 5 (five) years on the following terms and conditions.

7 1. Controlled Substances - Partial Restriction

8 Respondent shall not order, prescribe, dispense, administer, or possess any
9 controlled substances as defined by the California Uniform Controlled Substances Act,
except for those drugs listed in Schedule(s) IV and V of the Act . . .

10 2. Controlled Substances- Maintain Records and Access to Records and
Inventories

11 Respondent shall maintain a record of all controlled substances ordered,
prescribed, dispensed, administered, or possessed by respondent . . .

12 Respondent shall keep these records in a separate file or ledger, in
13 chronological order. All records and any inventories of controlled substances shall be
available for immediate inspection and copying on the premises by the Division or its
designee at all times during business hours and shall be retained for the entire term of
probation.

14 Failure to maintain all records, to provide immediate access to the
15 inventory, or to make all records available for immediate inspection and copying on the
premises, is a violation of probation.

16 3. Controlled Substances - Abstain From Use

17 Respondent shall abstain completely from the personal use or possession of
18 controlled substances as defined in the California Uniform Controlled Substances Act,
dangerous drugs as defined by Business and Professions Code section 4022, and any drugs
requiring a prescription. This prohibition does not apply to medications lawfully prescribed
19 to respondent by another practitioner for a bona fide illness or condition . . .

20 4. Alcohol - Abstain From Use

21 Respondent shall abstain completely from the use of products or beverages
containing alcohol.

22 5. Biological Fluid Testing

23 Respondent shall immediately submit to biological fluid testing, at
24 respondent's expense, upon the request of the Division or its designee. A certified copy of
any laboratory test results may be received in evidence in any proceedings between the
Board and the respondent. Failure to submit to, or failure to complete the required
biological fluid testing, is a violation of probation.

25 6. Diversion Program

26 Within 18 months from the effective date of this Decision, respondent shall
27 enroll and participate in the Board's Diversion Program until the Diversion Program
determines that further treatment and rehabilitation are no longer necessary. Respondent
shall not engage in the practice of medicine until notified in writing by both the Diversion
28 Program after enrollment and the Division or its designee of their determination that
respondent is medically fit to practice safely . . .

7. Oral and/or Written Examination

Within 18 months from the effective date of this Decision, respondent shall take and pass the SPEX examination

8. Monitoring – Practice

Within 18 months from the effective date of this Decision, respondent shall submit to the Division or its designee for prior approval as a practice monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose licenses are valid and in good standing, and who are preferably American Board of Medical Specialties (ABMS) certified

9. Solo Practice

Respondent is prohibited from engaging in the solo practice of medicine.

10. STANDARD CONDITIONS, including a provision for License Surrender, which provides, in pertinent part, that:

Following the effective date of this Decision, if respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the terms and conditions of probation, respondent may request the voluntary surrender of respondent’s license. The Division reserves the right to evaluate respondent’s request and to exercise its discretion whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, respondent shall within 15 calendar days deliver respondent’s wallet and wall certificate to the Division or its designee and respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and conditions of probation and the surrender of respondent’s license shall be deemed disciplinary action. If respondent re-applies for a medical license, the application shall be treated as a petition for reinstatement of a revoked certificate.

17. Effective December 13, 2007, respondent elected to surrender his Physician and Surgeon’s certificate to the Medical Board pursuant to the License Surrender provision of his probation.

RESPONDENT’S ACUPUNCTURE BOARD HISTORY

18. On or about September 1, 2004, respondent submitted an Application for License to the Acupuncture Board.

19. On or about September 2, 2004, the Acupuncture Board notified respondent that his application for licensure had been denied. On or about September 7, 2004, respondent submitted a letter requesting a hearing on the denial. On about September 10, 2004, respondent’s attorney submitted a letter requesting the filing of a Statement of Issues and a hearing concerning the denial of respondent’s application.

20. On or about October 14, 2004, a Statement of Issues Case No. 1A-2003-72 was filed by the Acupuncture Board alleging that respondent had engaged in unprofessional conduct; had

1 been disciplined by another state for acts substantially related to the practice regulated by a
2 California acupuncture license; and for use of a controlled substance.

3 21. Effective July 7, 2005, pursuant to a Stipulated Settlement and Decision, the
4 Acupuncture Board issued an Order providing that respondent Christopher James Rasmussen
5 shall be issued a license to practice Acupuncture/Oriental Medicine (respondent was subsequently
6 issued License No. AC 10334); however, said license was revoked upon issuance, the revocation
7 was stayed, and respondent was placed on probation for 5 (five) years on the following terms and
8 conditions:

9 1. ABSTAIN FROM DRUGS AND ALCOHOL AND SUBMIT
10 TO TESTS AND SAMPLES

11 Respondent shall abstain completely from the personal use or
12 possession of controlled substances as defined in the California
13 Uniform Controlled Substances Act (Division 10, commencing
14 with section 11000, Health and Safety Code) and dangerous drugs
15 as defined by Section 4211 of the Business and Professions Code,
16 or any drugs requiring a prescription. Respondent shall abstain
17 completely from the use of alcoholic beverages. Respondent shall
18 undergo random, biological fluid testing as determined by the
19 Board. Respondent shall bear all costs of such testing. The length
20 of time and frequency will be determined by the Board. Any
21 confirmed positive finding will be considered a violation of
22 probation. This prohibition does not apply to medications lawfully
23 prescribed to respondent by another practitioner for a bona fide
24 illness or condition.

25 2. REIMBURSEMENT FOR PROBATION SURVEILLANCE
26 MONITORING

27 Respondent shall reimburse the Board for the hourly costs it
28 incurs in monitoring the probation to ensure compliance for the
duration of the probation period, not to exceed \$500.00 annually.

3. OBEY ALL LAWS

Respondent shall obey all federal, state and local laws and all
regulations governing the practice of acupuncture in California. A
full and detailed account of any and all violations of law shall be
reported by the respondent to the Board in writing within seventy-
two (72) hours of occurrence.

4. QUARTERLY REPORTS

Respondent shall submit quarterly declarations under penalty
of perjury on forms provided by the Board, stating whether there
has been compliance with all the conditions of probation.

5. SURVEILLANCE PROGRAM

Respondent shall comply with the Board's probation
surveillance program and shall, upon reasonable notice, report to
the assigned investigative district office. Respondent shall contact

1 the assigned probation surveillance monitor regarding any questions
2 specific to the probation order. Respondent shall not have any
3 unsolicited or unapproved contact with 1) victims or complainants
4 associated with the case; 2) Board members or members of its
5 staff; or 3) persons serving the Board as expert examiners.

6 6. INTERVIEW WITH THE BOARD OR ITS DESIGNEE

7 Respondent shall appear in person for interviews with the
8 Board or its designee upon request at various intervals and with
9 reasonable notice.

10 7. CHANGES OF EMPLOYMENT

11 Respondent shall notify the Board in writing, through the
12 assigned probation surveillance compliance officer of any and all
13 changes of employment, location and address within 30 days of
14 such change.

15 8. TOLLING FOR OUT-OF-STATE PRACTICE OR
16 RESIDENCE

17 In the event respondent should leave California to reside or to
18 practice outside the State, respondent must notify the Board in
19 writing of the dates of departure and return. Periods of residency or
20 practice outside California will not apply to the reduction of this
21 probationary period.

22 9. EMPLOYMENT AND SUPERVISION OF TRAINEES

23 Respondent shall not employ or supervise or apply to employ
24 or supervise acupuncture trainees during the course of this
25 probation. Respondent shall terminate any such supervisorial
26 relationship in existence on the effective date of this probation.

27 10. COST RECOVERY

28 Respondent shall pay to the Board its costs of investigation
and enforcement in the amount of \$1200.00.

11. VIOLATION OF PROBATION

If respondent violates probation in any respect, the Board
may, after giving respondent notice and the opportunity to be heard,
revoke probation and carry out the disciplinary order that was
stated. If an accusation or petition to revoke probation is filed
against respondent during probation, the Board shall have
continuing jurisdiction until the matter is final, and the period of
probation shall be extended until the matter is final. No petition for
modification or termination of probation shall be considered while
there is an accusation or petition to revoke probation pending
against respondent.

12. COMPLETION OF PROBATION

Upon successful completion of probation, respondent's
license will be fully restored.

13. OPTION TO SURRENDER LICENSE

Following the effective date of this Decision, if respondent
ceases practicing due to retirement, health reasons or is otherwise
unable to satisfy the terms and conditions of probation, respondent
may request the voluntary surrender of respondent's license. The

1 Board reserves the right to evaluate respondent's request and to
2 exercise its discretion whether or not to grant the request, or to take
3 any other action deemed appropriate and reasonable under the
4 circumstances. Upon formal acceptance of the surrender,
5 respondent shall within 15 calendar days deliver respondent's
6 wallet and wall certificate to the Board or its designee and
7 respondent shall no longer practice Acupuncture/Oriental Medicine
8 under the authority of the license previously issued by the Board.
9 Respondent will no longer be subject to the terms and conditions of
10 probation and the surrender of respondent's license shall be deemed
11 disciplinary action based upon the grounds and admission already
12 set forth in this Stipulation. If respondent re-applies for a license to
13 practice Acupuncture/Oriental Medicine, the application shall be
14 treated as a petition for reinstatement of a revoked license.

15 CAUSES FOR REVOCATION OF PROBATION

16 22. Respondent's probation under License No. AC 10334 previously issued by the
17 Acupuncture Board is subject to revocation for violating the terms of his probation as hereinafter
18 set forth.

19 FIRST CAUSES FOR REVOCATION OF PROBATION

20 23. On or about March 25, 2009, Laura Campos, a Senior Investigator for the
21 Department of Consumer Affairs, Division of Investigation, who was previously assigned to
22 monitor respondent's probation with the Acupuncture Board, attempted to contact respondent by
23 telephone at his work location, Five Branches University, in Santa Cruz, for the purpose of
24 administering a random biological fluid test as required by respondent's probationary terms.
25 Investigator Campos left a message for respondent to contact her immediately. Investigator
26 Campos then telephoned respondent at his private telephone number and left a similar message.
27 Investigator Campos then sent an e-mail to respondent requesting that he contact Investigator
28 Campos immediately.

29 24. Respondent did not contact Investigator Campos until the next morning, March 26,
30 2009, at which time Investigator Campos requested that respondent submit to a random drug
31 screen that morning. Respondent refused to submit to a drug screen, indicating that he was
32 scheduled to work that day and would not appear for a drug screen.

33 25. Respondent has violated probationary conditions No. 1. (Abstain from Drugs and
34 Alcohol and Submit to Tests) and No. 5. (Surveillance Program) and therefore cause exist for
35 revocation of probation pursuant to probationary condition No. 11 (Violation of Probation).

SECOND CAUSES FOR REVOCATION OF PROBATION

1
2 26. The allegations set forth in the First Causes for Revocation of Probation are referred
3 to and incorporated herein by reference as though fully set forth.

4 27. On or about July 31, 2009, Annette Rodriguez, a Senior Investigator for the
5 Department of Consumer Affairs, Division of Investigation, who was now assigned to monitor
6 respondent's probation (subsequent to Investigator Campos' retirement), met with respondent to
7 verify that respondent understood each and every term of probation, which respondent verbally
8 indicated and then initialed and dated on a copy of the Stipulated Settlement and Decision that he
9 did so understand.

10 28. On or about July 31, 2009, respondent filled out and signed a "Last Use
11 Questionnaire" indicating that he had not taken any prescription and/or illegal drugs, and
12 indicating that he was only taking "Advil", an over the counter pain medication, for occasional
13 pain. Respondent also advised Investigator verbally that the Advil was taken after exercise.

14 29. In truth and in fact, on or about 3/15/08, 3/18/08, and 4/9/08, respondent had obtained
15 from local dentists and had filled at local pharmacies, prescriptions for Vicodin.

16 30. Vicodin is a Schedule III controlled substance pursuant to Health and Safety Code
17 section 11506(e)(4), and a dangerous drug pursuant to Business and Professions Code section
18 4022.

19 31. On or about November 25, 2009, Investigator Rodriguez met with respondent and
20 questioned him regarding the three Vicodin prescriptions. Respondent admitted to obtaining the
21 prescriptions and indicated that he had simply forgotten to report the prescriptions to the Division
22 of Investigation or the Acupuncture Board.

23 32. Respondent has violated probationary conditions No. 1. (Abstain From Drugs And
24 Alcohol And Submit to Tests), 3. (Obey All Laws (by violation of Business and Professions Code
25 sections as set forth further herein below under Causes For Disciplinary Action)) and No. 5.
26 (Surveillance Program) and therefore cause exist for revocation of probation pursuant to
27 probationary condition No. 11 (Violation of Probation).

28 ...

1 THIRD CAUSES FOR REVOCATION OF PROBATION

2 33. The allegations set forth in the First And Second Causes For Revocation of Probation
3 are referred to and incorporated herein by reference as though fully set forth.

4 34. On or about July 31, 2009, Investigator Rodriguez requested that respondent submit
5 to a urine drug screen, which respondent provided.

6 35. The urine drug screen was analyzed and came back from the testing laboratory as
7 positive for the drug "Tramadol."

8 36. Tramadol hydrochloride, also known by its trade name "Ultram", is a dangerous drug
9 pursuant to Business and Professions Code section 4022. According to the Drug Enforcement
10 Administration, Tramadol was approved for marketing as a noncontrolled analgesic in 1995 under
11 the trade name of Ultram. Although the company initially claimed that this substance produced
12 only very weak narcotic effects, recent data demonstrate that opioid activity is the overriding

13 contributor to the drug's pharmacological activity. Because of inadequate product labeling and
14 lack of established abuse potential, many physicians felt this drug was safe to prescribe to
15 recovering narcotic addicts and to known narcotic abusers. As a consequence, numerous reports
16 of abuse and dependence have been received. Tramadol is approved for the treatment of
17 moderate to moderately severe pain in adults. Although the Department of Health and Human
18 Services has not recommended the scheduling of this substance in the Controlled Substances Act
19 (CSA), a requirement necessary for DEA to place a substance under control, the Food and Drug
20 Administration (FDA) has required the manufacturer of Ultram to inform physicians about recent
21 abuse data. The approved labeling has been modified on three separate occasions to include new
22 information under the "Drug Abuse and Dependence" section. The labeling currently contains
23 the following language:

24 "ULTRAM may induce psychic and physical dependence of the morphine type (μ
25 opioid). Dependence and abuse, including drug seeking behavior and taking illicit
26 actions to obtain the drug are not limited to those patients with prior history of opioid
27 dependence. The risk in patients with substance abuse has been observed to be
28 higher. ULTRAM is associated with craving and tolerance development.
Withdrawal symptoms may occur if ULTRAM is discontinued abruptly."

37. On or about November 25, 2009, Investigator Rodriguez met with respondent and

1 questioned him regarding the positive test for Ultram. Respondent admitted to taking Ultram and
2 indicated that in 2003 or 2004, he received a pharmaceutical sample of 100 Ultram/Tramadol
3 tablets from a former colleague, a medical doctor living in Wisconsin. Respondent stated that
4 since 2003-2004 and to date, he has taken (ingested) the leftover Ultram/Tramadol tablets as
5 necessary to treat and alleviate his lower back pain.

6 38. When Investigator Rodriguez asked respondent the identity of the medical doctor
7 "colleague" who provided the sample bottle to respondent, respondent refused to identify the
8 individual.

9 39. When Investigator Rodriguez asked respondent why he didn't obtain a prescription
10 for the Ultram/Tramadol, respondent advised that he cannot afford the medical insurance to see a
11 physician.

12 40. When Investigator Rodriguez asked respondent why he didn't disclose the self
13 administration of the Ultram/Tramadol on his "Last Use Questionnaire" which he signed on about
14 July 31, 2009, respondent indicated "I forgot, I just didn't think about it, it wasn't purposeful."

15 41. Respondent has violated probationary conditions No. 1. (Abstain from Drugs and
16 Alcohol and Submit to Tests), 3.(Obey All Laws (by violation of Business and Professions Code
17 sections as set forth further herein below under Causes For Disciplinary Action)) and No. 5.
18 (Surveillance Program) and therefore cause exist for revocation of probation pursuant to
19 probationary condition No. 11 (Violation of Probation).

20 CAUSES FOR DISCIPLINARY ACTION

21 42. The allegations set forth in the First, Second and Third Causes for Revocation of
22 Probation are referred to and incorporated herein by reference as though fully set forth.

23 43. Respondent is subject to disciplinary action pursuant to Business and Professions
24 Code sections: 4955 (general unprofessional conduct); and/or 4955(d) (violation of chapter);
25 and/or 4955(i) in conjunction with section 480(a)(2) and/or 480(a)(3) (dishonesty, deceit); and/or
26 4955.1(b) and/or 4955.1(c) (fraud, dishonesty, corruption).
