Article 1. Administration and General Provisions

(Article 1 added by Stats. 1980, Ch. 1313, Sec. 11.5.)

4925. Citation of Chapter; References in Chapter.

(a) This chapter constitutes the chapter on acupuncture of the Business and Professions Code. This chapter shall be known and may be cited as the Acupuncture Licensure Act. Whenever a reference is made to the Acupuncture Licensure Act by the provisions of any statute, it is to be construed as referring to the provisions of this chapter.

(b) Any reference in this chapter, or to the regulations pertaining thereto, to "certificate" or "certification" shall hereafter mean "license" or "licensure." Any reference to the term "certifying" means "licensing," and the term "certificate holder" means "licensee." Any reference to the "Acupuncture Committee" or "committee" means the "Acupuncture Board" or "board."

(Amended by Stats. 1998, Ch. 991, Sec. 15. Effective January 1, 1999.)

4926. Legislative Intent.

In its concern with the need to eliminate the fundamental causes of illness, not simply to remove symptoms, and with the need to treat the whole person, the Legislature intends to establish in this article, a framework for the practice of the art and science of Asian medicine through acupuncture. The purpose of this article is to encourage the more effective utilization of the skills of acupuncturists by California citizens desiring a holistic approach to health and to remove the existing legal constraints which are an unnecessary hindrance to the more effective provision of health care services. Also, as it effects the public health, safety, and welfare, there is a necessity that individuals practicing acupuncture be subject to regulation and control as a primary health care profession.

(Amended by Stats. 2005, Ch. 649, Sec. 4. Effective January 1, 2006.)

4927. Definitions.

As used in this chapter, unless the context otherwise requires:

(a) "Board" means the Acupuncture "Board".

(b) "Person" means any individual, organization, or corporate body, except that only individuals may be licensed under this chapter.

(c) "Acupuncturist" means an individual to whom a license has been issued to practice acupuncture pursuant to this chapter, which is in effect and is not suspended or revoked.

(d) "Acupuncture" means the stimulation of a certain point or points on or near the surface of the body by the insertion of needles to prevent or modify the perception of pain or to normalize physiological functions, including pain control, for the treatment of certain diseases or dysfunctions of the body and includes the techniques of electroacupuncture, cupping, and moxibustion.

(Amended by Stats. 1999, Ch. 655, Sec. 56. Effective January 1, 2000.)

(c) This section shall become operative on January 1, 2017.

Article 4. Enforcement

(Article 4 added by Stats. 1980, Ch. 1313, Sec. 11.5.)

4955. Disciplinary action for unprofessional conduct.

The board may deny, suspend, or revoke, or impose probationary conditions upon, the license of any acupuncturist if he or she is guilty of unprofessional conduct. Unprofessional conduct shall include, but not be limited to, the following:

(a) Using or possessing any controlled substance as defined in Division 10 (commencing with Section 11000) of the Health and Safety Code, or dangerous drug or alcoholic beverage to an extent or in a manner dangerous to himself or herself, or to any other person, or to the public, and to an extent that the use impairs his or her ability to engage in the practice of acupuncture with safety to the public.

(b) Conviction of a crime substantially related to the qualifications, functions, or duties of an acupuncturist, the record of conviction being conclusive evidence thereof.

(c) False or misleading advertising.

(d) Aiding or abetting in, or violating or conspiring in, directly or indirectly, the violation of the terms of this chapter or any regulation adopted by the board pursuant to this chapter.

(e) Except for good cause, the knowing failure to protect patients by failing to follow infection control guidelines of the board, thereby risking transmission of blood-borne infectious diseases from licensee to patient, from patient to patient, and from patient to licensee. In administering this subdivision, the board shall consider referencing the standards, regulations, and guidelines of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the standards, regulations, and guidelines pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300) of Division 5 of the Labor Code) for preventing the transmission of HIV, hepatitis B, and other blood-borne pathogens in health care settings. As necessary, the board shall consult with the Medical Board of California, the California Board of Podiatric Medicine, the Dental Board of California, the Board of Registered Nursing, and the Board of Vocational Nursing and Psychiatric Technicians, to encourage appropriate consistency in the implementation of this subdivision.

The board shall seek to ensure that licensees are informed of the responsibility of licensees and others to follow infection control guidelines, and of the most recent scientifically recognized safeguards for minimizing the risk of transmission of blood-borne infectious diseases.

(f) The use of threats or harassment against any patient or licensee for providing evidence in a disciplinary action, other legal action, or in an investigation contemplating a disciplinary action or other legal action.

(g) Discharging an employee primarily for attempting to comply with the terms of this chapter.

(h) Disciplinary action taken by any public agency for any act substantially related to the qualifications, functions, or duties of an acupuncturist or any professional health care licensee.

(i) Any action or conduct that would have warranted the denial of the acupuncture license.

(j) The violation of any law or local ordinance on an acupuncturist's business premises by an acupuncturist's employee or a person who is working under the acupuncturist's professional license or business permit, that is substantially related to the qualifications, functions, or duties of an acupuncturist. These violations shall subject the acupuncturist who employed the individuals, or under whose acupuncturist license the employee is working, to disciplinary action.

(k) The abandonment of a patient by the licentiate without written notice to the patient that treatment is to be discontinued and before the patient has had a reasonable opportunity to secure the services of another practitioner.

(l) the failure to notify the board of the use of any false, assumed, or fictitious name other than the name under which he or she is licensed as an individual to practice acupuncture.

(Amended by Stats. 2002, Ch. 714, Sec. 8. Effective January 1, 2003.)

4955.1. Disciplinary Action for fraudulent act.

The board may deny, suspend, revoke, or impose probationary conditions upon the license of any acupuncturist if he or she is guilty of committing a fraudulent act including, but not be limited to, any of the following:

(a) Securing a license by fraud or deceit.

(b) Committing a fraudulent or dishonest act as an acupuncturist.

(c) Committing any act involving dishonesty or corruption with respect to the qualifications, functions, or duties of an acupuncturist.

(d) Altering or modifying the medical record of any person, with fraudulent intent, or creating any false medical record.

(e) Failing to maintain adequate and accurate records relating to the provision of services to their patients.

(Added by Stats. 2002, Ch. 714, Sec. 9. Effective January 1, 2003.)

4955.2 Disciplinary action for negligence or incompetence.

The board may deny, suspend, revoke, or impose probationary conditions upon the license of any acupuncturist if he or she is guilty of committing any one of the following:

(a) Gross negligence.

(b) Repeated negligent acts.

(c) Incompetence.

(Added by Stats. 2002, Ch. 714, Sec. 10. Effective January 1, 2003.)

4956. Equivalentents of conviction; Time after conviction for discipline.

A plea or verdict of guilty or a conviction following a plea of nolo contendere made to a charge which is substantially related to the qualifications, functions, or duties of an acupuncturist is deemed to be a conviction within the meaning of this chapter.

The board may order a license suspended or revoked, or may deny a license, or may impose probationary conditions upon a license, when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing the person to withdraw his or her pleas of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or indictment.

(Amended by Stats. 1999, Ch. 655, Sec. 70. Effective January 1, 2000.)

4957, 4958. [No section for these numbers.]

4959. Assessments of cost; Enforcement of order.

(a) The board may request the administrative law judge, under his or her proposed decision in resolution of a disciplinary proceeding before the board, to direct any licensee found guilty of unprofessional conduct to pay to the board a sum not to exceed actual and reasonable costs of the investigation and prosecution of the case.

(b) The costs to be assessed shall be fixed by the administrative law judge and shall not in any event be increased by the board. When the board does not adopt a proposed decision and remands the case to an administrative law judge, the administrative law judge shall not increase the amount of any costs assessed in the proposed decision.

(c) When the payment directed in the board's order for payment of costs is not made by the licensee, the board may enforce the order for payment in the superior court in the county where the administrative hearing was held. This right of enforcement shall be in addition to any other rights the board may have as to any licensee directed to pay costs.

(d) In any judicial action for the recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(e) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the Acupuncture Fund.

(Amended by Stats. 1999, Ch. 655, Sec. 71. Effective January 1, 2000.)

4960. Conduct of proceedings.

Disciplinary proceedings under this article shall be conducted pursuant to the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code).

(Repealed and added by Stats. 1980, Ch. 1313, Sec. 11.5. Section operative July 1, 1982, pursuant to former Section 4974.5.)

4960.2 Certification of revocation of license.

The board in all cases of revocation shall certify the fact of the revocation, under the seal of the board, to the business licensing entity of the cities or counties in which the license of the acupuncturist has been revoked. The record of the revocation made by the county or city clerk shall be sufficient evidence of the revocation, and of the regularity of all proceedings of the board in the matter of the revocation.

(Added by Stats. 2002, Ch. 714, Sec. 11. Effective January 1, 2003.)

4960.5. Petition for reinstatement or modification of penalty.

(a) A person whose license or registration has been revoked, suspended, or surrendered, or who has been placed on probation, may petition the board for reinstatement or modification of penalty, including modification or termination of probation, after a period of not less than the following minimum periods has elapsed from the effective date of the decision ordering that disciplinary action:

- (1) At least three years for reinstatement of a license revoked or surrendered.
- (2) At least two years for early termination of probation of three years or more.
- (3) At least two years for modification of a condition of probation.
- (4) At least one year for early termination of probation of less than three years.

(b) The board may require an examination for that reinstatement.

(c) Notwithstanding Section 489, a person whose application for a license or registration has been denied by the board, for violations of Division 1.5 (commencing with Section 475) of this chapter, may reapply to the board for a license or registration only after a period of three years has elapsed from the date of the denial.

(Amended by Stats. 1999, Ch. 655, Sec. 72. Effective January 1, 2000.)

4961. Registration and posting requirements for acupuncture.

(a) Every person who is now or hereafter licensed to practice acupuncture in this state shall register, on forms prescribed by the Acupuncture Board, his or her place of practice, or, if he or she has more than one place of practice, all of the places of practice. If the licensee has no place of practice, he or she shall notify the board of that fact. A person licensed by the board shall register within 30 days after the date of his or her licensure.

(b) An acupuncturist licensee shall post his or her license in a conspicuous location in his or her place of practice at all times. If an acupuncturist has more than one place of practice, he or she shall obtain from the board a duplicate license for each additional location and post the duplicate license at each location.

(c) Any licensee that changes the location of his or her place of practice shall register each change within 30 days of making that change. In the event a licensee fails to notify the board of any change in the address of a place of practice within the time prescribed by this section, the board may deny renewal of licensure. An applicant for renewal of licensure shall specify in his or her application whether or not there has been a change in the location of his or her place of practice and, if so, the date of that change. The board may accept that statement as evidence of the change of address.

(Amended by Stats. 1999, Ch. 655, Sec. 73. Effective January 1, 2000.)

4962. [No section of this number.]

4963. Injunction or restraining order.

Whenever any person has engaged in an act or practice which constitutes an offense against this chapter, a superior court of a county on application of the board may issue an injunction or other appropriate order restraining that conduct. Proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure. The board may commence action in such superior court under the provisions of this section on its own motion and no undertaking shall be required in any action commenced by the board.

(Amended by Stats. 1999, Ch. 655, Sec. 74. Effective January 1, 2000.)

4964. Construction of Article.

The provisions of this article insofar as they are substantially the same as provisions relating to the same subject matter of any previous acupuncture licensure law shall be construed as a restatement and continuation thereof, and not as a new enactment.

(Amended by Stats. 1999, Ch. 655, Sec. 75. Effective January 1, 2000.)

Article 5. Renewal

(Article 5 added by Stats. 1980, Ch. 1313, Sec. 11.5.)

4965. Expiration of License; Renewal.

(a) Licenses issued pursuant to this chapter shall expire on the last day of the birth month of the licensee during the second year of a two-year term, if not renewed.

(b) The board shall establish and administer a birth date renewal program.

(c) To renew an unexpired license, the holder shall apply for renewal on a form provided by the board and pay the renewal fee fixed by the board.

(Amended (as added by Stats. 1991, Ch. 983, Sec. 19) by Stats. 1999, Ch. 655, Sec. 77. Effective January 1, 2000.)

4966. Period for renewal.

Except as provided in Section 4969, a license that has expired may be renewed at any time within three years after its expiration by filing of an application for renewal on a form provided by the board, paying all accrued and unpaid renewal fees, and providing proof of completing continuing education requirements. If the license is not renewed prior to its expiration, the acupuncturist, as a condition precedent to renewal, shall also pay the prescribed delinquency fee. Renewal under this section shall be effective on the date on which the application is filed, on the date on which the renewal fee is paid, or on the date the delinquency fee is paid, whichever occurs last. If so renewed, the license shall continue in effect through the expiration date provided in Section 4965, after the effective date of the renewal, when it shall expire and become invalid if it is not again renewed.

(Amended by Stats. 1999, Ch. 655, Sec. 78. Effective January 1, 2000.)

4967. Effect of failure to renew license.

A person who fails to renew his or her license within three years after its expiration may not renew it, and it may not be restored, reissued, or reinstated thereafter, but that person may apply for and obtain a new license if he or she meets all of the following requirements:

(a) Has not committed any acts or crimes constituting grounds for denial of licensure under Division 1.5 (commencing with Section 475).

(b) Takes and passes the examination, if any, which would be required of him or her if an initial application for licensure was being made, or otherwise establishes to the satisfaction of the board that, with due regard for the public interest, he or she is qualified to practice as an acupuncturist.

(c) Pays all of the fees that would be required if an initial application for licensure was being made. The board may provide for the waiver or refund of all or any part of an examination fee in those cases in which a license is issued without an examination pursuant to this section.

(Amended by Stats. 1999, Ch. 655, Sec. 79. Effective January 1, 2000.)

4968. [No section for this number.]

4969. Suspended license; Revoked License.

(a) A suspended license is subject to expiration and shall be renewed as provided in this article, but the renewal does not entitle the acupuncturist, while the license remains suspended, and until it is reinstated, to engage in the practice of acupuncture, or in any other activity or conduct in violation of the order or judgment by which the license was suspended.

(b) A revoked license is subject to expiration as provided in this article, but it may not be renewed. If it is reinstated after its expiration, the former licensee, as a condition to reinstatement, shall pay a reinstatement fee in an amount equal to the renewal fee in effect on the last regular renewal date before the date on which the license was reinstated, plus the delinquency fee, if any, accrued at the time of its expiration.

(Amended by Stats. 1994, Ch. 26, Sec. 181. Effective March 30, 1994.)

Article 6. Revenue

(Article 6 added by Stats. 1980, Ch. 1313, Sec. 11.5.)

(b) The examination and reexamination fees shall be the actual cost to the Acupuncture Board for the development and writing of, grading, and administering of each examination.

(c) The initial license fee shall be three hundred twenty-five dollars (\$325), except that if the license will expire less than one year after its issuance, then the initial license fee shall be an amount equal to 50 percent of the initial license fee.

(d) The renewal fee shall be three hundred twenty-five dollars (\$325) and in the event a lower fee is fixed by the board, shall be an amount sufficient to support the functions of the board in the administration of this chapter. The renewal fee shall be assessed on an annual basis until January 1, 1996, and on and after that date the board shall assess the renewal fee biennially.

(e) The delinquency fee shall be set in accordance with Section 163.5.

(f) The application fee for the approval of a school or college under Section 4939 shall be three thousand dollars (\$3,000). This subdivision shall become inoperative on January 1, 2017.

(g) The duplicate wall license fee is an amount equal to the cost to the board for the issuance of the duplicate license.

(h) The duplicate renewal receipt fee is ten dollars (\$10).

(i) The endorsement fee is ten dollars (\$10).

(j) The fee for a duplicate license for an additional office location as required under Section 4961 shall be fifteen dollars (\$15).

(Amended by Stats. 2014, Ch. 397, Sec. 12. Effective January 1, 2015.)

4971. Tutorial Program Fees.

The amount of fees prescribed for acupuncture tutorial programs shall be as follows:

(a) The application and registration fee to supervise an acupuncture trainee is two hundred dollars (\$200).

(c) The application fee for an acupuncture trainee is twenty-five dollars (\$25).

(d) The annual renewal fee for an acupuncture trainee is ten dollars (\$10).

(e) The delinquency fee is 50 percent of the renewal fee.

(Amended by Stats. 1985, Ch. 137, Sec. 5. Effective July 1, 1985.)

4972. Regulations Fixing Fees.

(Amended by Stats. 1999, Ch. 655, Sec. 80. Effective January 1, 2000.)

4973. (Repealed January 1, 2017) School Application and Inspection Fee.

(a) A fee for the inspection or re-inspection of a school or college of acupuncture for purposes of approval or continued approval shall be charged at an amount to recover the direct costs incurred by the board in conducting that inspection and evaluation of the school or college.

(b) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

(Amended by Stats. 2014, Ch. 397, Sec. 13. Effective January 1, 2015. Repealed as of January 1, 2017, by its own provisions.)
