1 same field of practice as that of the Respondent. The monitor shall submit written reports to the
2 Board on a quarterly basis verifying that monitoring has taken place and providing an evaluation
3 of Respondent's performance. It shall be Respondent's responsibility to assure that the required
4 reports are filed in a timely fashion. The Respondent shall provide access to the monitor of
5 Respondent's fiscal and client records and shall be permitted to make direct contact with patients.
6 Further, the monitor shall have no prior business, professional, personal or other relationship with
7 Respondent. Respondent shall execute a release authorizing the monitor to divulge any
8 information that the Board may request.

9 Respondent shall notify all current and potential patients of any term or condition of
10 probation which will affect their treatment or the confidentiality of their records (such as this
11 condition which requires a practice monitor). Such notification shall be signed by each patient
12 prior to continuing or commencing treatment.

13 If the monitor quits or is otherwise no longer available, Respondent shall not practice until a
14 new monitor has been approved by the Board. All costs of monitoring shall be borne by the
15 Respondent. Monitoring shall consist of at least one hour per week of individual face to face
16 meetings.

17 2. ABSTAIN FROM DRUGS AND ALCOHOL AND SUBMIT TO TESTS AND
18 SAMPLES Respondent shall abstain completely from the personal use or possession of
19 controlled substances as defined in the California Uniform Controlled Substances Act (Division
20 10, commencing with section 11000, Health and Safety Code) and dangerous drugs as defined by
21 Section 4211 of the Business and Professions Code, or any drugs requiring a prescription. This
22 prohibition does not apply to medications lawfully prescribed to Respondent for a bona fide
23 illness or condition by a practitioner licensed to prescribe such medications. Within fifteen (15)
24 calendar days of receiving any lawful prescription medications, Respondent shall notify his
25 probation monitor in writing of the following: prescriber's name, address, and telephone number;
26 medication name and strength, issuing pharmacy name, address, and telephone number.
27 Respondent shall also provide a current list of prescribed medication with the prescriber's name,
28 address, and telephone number on each quarterly report submitted. Respondent shall provide the

1 probation monitor with a signed and dated medical release covering the entire probation period.
2 Respondent shall abstain completely from the use of alcoholic beverages. Respondent shall
3 undergo random, biological fluid testing as determined by the Board. Respondent shall bear all
4 costs of such testing. The length of time and frequency will be determined by the Board. Any
5 confirmed positive finding will be considered a violation of probation.

6 3. REIMBURSEMENT FOR PROBATION SURVEILLANCE MONITORING

7 Respondent shall reimburse the Board for the hourly costs it incurs in monitoring the probation to
8 ensure compliance for the duration of the probation period.

9 4. COMMUNITY SERVICE Respondent shall provide 100 hours of acupuncture
10 services without charge, nor may Respondent charge for products used during his acupuncture
11 services. Respondent must provide the 100 hours of acupuncture services only through an
12 organization which the Board approves.

13 The Board approved organization must have one of its staff members supervise Respondent
14 while Respondent provides acupuncture services. That staff member must submit written proof
15 of supervision of Respondent's community service hours to the Board's assigned probation
16 surveillance monitor on a regular basis as directed by the Board.

17 5. OBEY ALL LAWS Respondent shall obey all federal, state and local laws and all
18 regulations governing the practice of acupuncture in California. A full and detailed account of
19 any and all violations of law shall be reported by the Respondent to the Board in writing within
20 seventy-two (72) hours of occurrence.

21 6. QUARTERLY REPORTS Respondent shall submit quarterly declarations under
22 penalty of perjury on forms provided by the Board, stating whether there has been compliance
23 with all the conditions of probation.

24 7. SURVEILLANCE PROGRAM Respondent shall comply with the Board's probation
25 surveillance program and shall, upon reasonable notice, report to the assigned investigative
26 district office. Respondent shall contact the assigned probation surveillance monitor regarding
27 any questions specific to the probation order. Respondent shall not have any unsolicited or
28 unapproved contact with 1) victims or complainants associated with the case; 2) Board members

1 or members of its staff; or 3) persons serving the Board as expert examiners.

2 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE Respondent shall appear in
3 person for interviews with the Board or its designee upon request at various intervals and with
4 reasonable notice.

5 9. CHANGES OF EMPLOYMENT Respondent shall notify the Board in writing,
6 through the assigned probation surveillance compliance officer of any and all changes of
7 employment, location and address within 30 days of such change.

8 10. TOLLING FOR OUT-OF-STATE PRACTICE OR RESIDENCE In the event
9 Respondent should leave California to reside or to practice outside the State, Respondent must
10 notify the Board in writing of the dates of departure and return. Periods of residency or practice
11 outside California will not apply to the reduction of this probationary period.

12 11. EMPLOYMENT AND SUPERVISION OF TRAINEES Respondent shall not
13 employ or supervise or apply to employ or supervise acupuncture trainees during the course of
14 this probation. Respondent shall terminate any such supervisory relationship in existence on the
15 effective date of this probation.

16 12. COST RECOVERY Respondent shall pay to the Board its costs of investigation and
17 enforcement in the amount of \$8,892.50. This amount shall be paid in full, directly to the Board
18 within six (6) months prior to the termination date of probation. Cost recovery will not be tolled.
19 Respondent understands that failure to timely pay costs is a violation of probation, and
20 submission of evidence demonstrating financial hardship does not preclude the Board from
21 pursuing further disciplinary action. However, Respondent understands that providing evidence
22 and supporting documentation of financial hardship may delay further disciplinary action.
23 Consideration to financial hardship will not be given should Respondent violate this term and
24 condition, unless an unexpected AND unavoidable hardship is established from the date of this
25 order to the date payment(s) is due.

26 13. VIOLATION OF PROBATION If Respondent violates probation in any respect, the
27 Board may, after giving Respondent notice and the opportunity to be heard, revoke probation and
28 carry out the disciplinary order that was stated. If an accusation or petition to revoke probation is

1 filed against Respondent during probation, the Board shall have continuing jurisdiction until the
2 matter is final, and the period of probation shall be extended until the matter is final. No petition
3 for modification or termination of probation shall be considered while there is an accusation or
4 petition to revoke probation pending against Respondent.

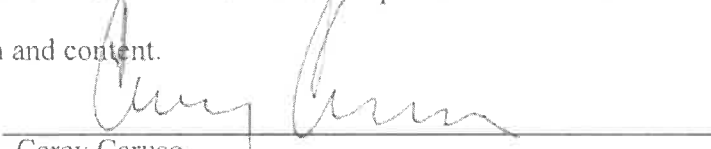

5 14. COMPLETION OF PROBATION Upon successful completion of probation,
6 Respondent's license will be fully restored.
