**ACCUSATION**

18 Complainant alleges:

19 **PARTIES**

20 1. Janelle Wedge ("Complainant") brings this Accusation solely in her official capacity  
21 as the Executive Officer of the California Acupuncture Board ("Board").

22 2. On or about February 15, 1977, the Board issued Acupuncture License number  
23 AC 329 to Kam Man Lam, L.Ac. ("Respondent"). That license was in full force and effect at all  
24 times relevant to the charges brought herein, and will expire on November 30, 2010, unless  
25 renewed.

26 **JURISDICTION**

27 3. This Accusation is brought before the Board under the authority of the following  
28 laws. All section references are to the Business and Professions Code unless otherwise indicated.

1           4.    Section 726 of the Code states:

2           "The commission of any act of sexual abuse, misconduct, or relations with a patient, client,  
3 or customer constitutes unprofessional conduct and grounds for disciplinary action for any  
4 person licensed under this division, under any initiative act referred to in this division and under  
5 Chapter 17 (commencing with Section 9000) of Division 3.

6           "This section shall not apply to sexual contact between a physician and surgeon and his or  
7 her spouse or person in an equivalent domestic relationship when that physician and surgeon  
8 provides medical treatment, other than psychotherapeutic treatment, to his or her spouse or person  
9 in an equivalent domestic relationship."

10          5.    Section 4955 of the Code states:

11          "The board may deny, suspend, or revoke, or impose probationary conditions upon, the  
12 license of any acupuncturist if he or she is guilty of unprofessional conduct.

13          "Unprofessional conduct shall include, but not be limited to, the following:

14               (a) Using or possessing any controlled substance as defined in Division 10  
15 (commencing with Section 11000) of the Health and Safety Code, or dangerous drug  
16 or alcoholic beverage to an extent or in a manner dangerous to himself or herself, or  
17 to any other person, or to the public, and to an extent that the use impairs his or her  
18 ability to engage in the practice of acupuncture with safety to the public.

19               (b) Conviction of a crime substantially related to the qualifications, functions,  
20 or duties of an acupuncturist, the record of conviction being conclusive evidence  
21 thereof.

22               (c) False or misleading advertising.

23               (d) Aiding or abetting in, or violating or conspiring in, directly or indirectly,  
24 the violation of the terms of this chapter or any regulation adopted by the board  
25 pursuant to this chapter.

26               (e) Except for good cause, the knowing failure to protect patients by failing to  
27 follow infection control guidelines of the board, thereby risking transmission of  
28 blood-borne infectious diseases from licensee to patient, from patient to patient, and

1 from patient to licensee. In administering this subdivision, the board shall consider  
2 referencing the standards, regulations, and guidelines of the State Department of  
3 Health Services developed pursuant to Section 1250.11 of the Health and Safety Code  
4 and the standards, regulations, and guidelines pursuant to the California Occupational  
5 Safety and Health Act of 1973 (Part 1 (commencing with Section 6300) of Division 5  
6 of the Labor Code) for preventing the transmission of HIV, hepatitis B, and other  
7 blood-borne pathogens in health care settings. As necessary, the board shall consult  
8 with the Medical Board of California, the California Board of Podiatric Medicine, the  
9 Dental Board of California, the Board of Registered Nursing, and the Board of  
10 Vocational Nursing and Psychiatric Technicians, to encourage appropriate  
11 consistency in the implementation of this subdivision.

12 "The board shall seek to ensure that licensees are informed of the responsibility  
13 of licensees and others to follow infection control guidelines, and of the most recent  
14 scientifically recognized safeguards for minimizing the risk of transmission of  
15 blood-borne infectious diseases.

16 "(f) The use of threats or harassment against any patient or licensee for  
17 providing evidence in a disciplinary action, other legal action, or in an investigation  
18 contemplating a disciplinary action or other legal action.

19 "(g) Discharging an employee primarily for attempting to comply with the  
20 terms of this chapter.

21 "(h) Disciplinary action taken by any public agency for any act substantially  
22 related to the qualifications, functions, or duties of an acupuncturist or any  
23 professional health care licensee.

24 "(i) Any action or conduct that would have warranted the denial of the  
25 acupuncture license.

26 "(j) The violation of any law or local ordinance on an acupuncturist's business  
27 premises by an acupuncturist's employee or a person who is working under the  
28 acupuncturist's professional license or business permit, that is substantially related to

1 the qualifications, functions, or duties of an acupuncturist. These violations shall  
2 subject the acupuncturist who employed the individuals, or under whose  
3 acupuncturist license the employee is working, to disciplinary action.

4 "(k) The abandonment of a patient by the licentiate without written notice to the  
5 patient that treatment is to be discontinued and before the patient has had a reasonable  
6 opportunity to secure the services of another practitioner.

7 "(l) the failure to notify the board of the use of any false, assumed, or fictitious  
8 name other than the name under which he or she is licensed as an individual to  
9 practice acupuncture."

10 6. Section 4955.1 of the Code states:

11 "The board may deny, suspend, revoke, or impose probationary conditions upon the license  
12 of any acupuncturist if he or she is guilty of committing a fraudulent act including, but not be  
13 limited to, any of the following:

15 "(b) Committing a fraudulent or dishonest act as an acupuncturist.

16 "(c) Committing any act involving dishonesty or corruption with respect to the  
17 qualifications, functions, or duties of an acupuncturist.

18 "(d) Altering or modifying the medical record of any person, with fraudulent  
19 intent, or creating any false medical record.

20 "(e) Failing to maintain adequate and accurate records relating to the provision  
21 of services to their patients."

22 7. Section 4955.2 of the Code states:

23 "The board may deny, suspend, revoke, or impose probationary conditions upon the license  
24 of any acupuncturist if he or she is guilty of committing any of the following:

25 (a) Gross negligence.

26 (b) Repeated negligent acts.

27 (c) Incompetence.

28 ///

1 8. Section 125.3 of the Code states, in pertinent part, that the Board may request the  
2 administrative law judge to direct a licensee found to have committed a violation or violations of  
3 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
4 enforcement of the case.

5 **FIRST CAUSE FOR DISCIPLINE**

6 (Sexual Misconduct)

7 Patient S.G.<sup>1</sup>

8 9. Respondent is subject to disciplinary action under section 726 of the Business and  
9 Professions Code in that he committed acts of sexual misconduct with patient S.G. The  
10 circumstances are as follows:

11 10. On or about October 2, 2008, S.G., a 54-year-old female, sought acupuncture  
12 treatment from Respondent at his office in Hesperia, for pain to her left groin, left leg, buttocks,  
13 neck and right arm. At the October 2, 2008 visit, Respondent provided acupuncture treatment  
14 using needles, electro-acupuncture stimulation and infrared treatment, followed by massage.  
15 Respondent also gave S.G. herbal medications.

16 11. S.G. returned to Respondent's office for a scheduled appointment for acupuncture  
17 treatment on October 6, 2008, at approximately 9:30 a.m. At this visit, S.G. was given a patient  
18 gown, which she put on. She removed her clothing, but kept her bra, panties and socks on.

19 12. Respondent placed acupuncture needles in S.G.'s back and attached the electro-  
20 acupuncture stimulation. Similar to her initial session, Respondent gave S.G. herbal medicine  
21 and left the room. S.G. then fell asleep.

22 13. Some time later, Respondent returned to the treatment room, removed the needles  
23 from S.G.'s back and provided massage. Following the massage, Respondent told S.G. that she  
24 could remain in the room for a few minutes if she was tired. Despite the fact that she felt dazed,  
25 S.G. got off the treatment table and attempted to dress.

26 ///

27 <sup>1</sup> In this Accusation the patient is referred to by initial. The patient's full name will be disclosed to  
28 Respondent when discovery is provided pursuant to Government Code section 11507.6.

1           14. While S.G. was dressing, Respondent re-entered the treatment room and embraced  
2 her. He grabbed S.G.'s panties and pushed her down on the treatment table. As soon as S.G. lay  
3 back on the table, she fell asleep. S.G. floated in and out of consciousness and believes that she  
4 was under the influence of a sedative or hypnotic medication<sup>2</sup>.

5           15. As S.G. came in and out of consciousness, she heard Respondent repeatedly asking  
6 her if she was on her period. S.G. awakened to find Respondent holding her right leg over her  
7 head with Respondent's head between her thighs.

8           16. Respondent licked S.G.'s neck and suckled her breast. Respondent also gave S.G. a  
9 sponge bath using wet paper towels.

10           17. S.G. slipped back into unconsciousness and awaked to Respondent's shouts of "wake  
11 up." As S.G. got up from the examination table she noticed that the table was wet from end to  
12 end.

13           18. S.G. walked over to the chair where she laid her clothing and noticed that her panties  
14 were on top of her clothes. S.G. also noted that her bra was unfastened. Respondent returned to  
15 the treatment room and yelled at S.G. to get dressed.

16           19. S.G. dressed and exited the treatment room. Respondent handed S.G. a bag  
17 containing herbal medication and instructed her to telephone for her next appointment.

18           20. S.G. left Respondent's office and shortly thereafter drove to the Apple Valley Police  
19 Department to report the assault. The Apple Valley Police Department did not have a female  
20 officer on duty to take S.G.'s report, so S.G. left and went home.

21           21. When S.G. got home, she went to the bathroom and noticed that her panties had blood  
22 on them. S.G. then told her husband that she had been sexually assaulted by Respondent. S.G.'s  
23 husband called the Hesperia police and reported the sexual assault.

24           22. Officer Vasquez arrived at S.G.'s home at approximately 3:00 p.m., and obtained a  
25 statement from S.G. and her husband. Officer Vasquez also collected the clothing S.G. wore to  
26

27 \_\_\_\_\_  
28           <sup>2</sup> Drugs that produces a calming effect, easing agitation and promoting sleep.

1 Respondent's office. Officer Vasquez obtained S.G.'s consent to a blood draw and a sexual  
2 battery kit.

3 23. S.G. and her husband followed Officer Vasquez to the Hesperia Sheriff's Station.  
4 There, S.G. was interviewed by Detective Ramos. Detective Ramos prepared a photographic  
5 lineup which contained Respondent's DMV photograph. S.G. immediately identified Respondent  
6 from the photographic lineup.

7 24. At 8:20 p.m. Detective Ramos requested a Sexual Assault Response Team nurse to  
8 respond to Kaiser Hospital to perform a sexual assault examination and blood draw on S.G.

9 25. Nurse Matiko performed the sexual assault examination on S.G. Nurse Matiko found  
10 multiple abrasions, erythema and swelling to S.G.'s vagina (vestibule, hymen and vaginal walls).

11 26. S.G. submitted a blood and urine sample. The results of the urine toxicology screen  
12 were positive for vicodin<sup>3</sup>, hydromorphone<sup>4</sup>, codeine<sup>5</sup> and morphine<sup>6</sup>.
