**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 PARTIES

22 1. Janelle Wedge (Complainant) is the Executive Officer of the Acupuncture Board of  
23 California. She brought this action solely in her official capacity and is represented in this matter  
24 by Edmund G. Brown Jr., Attorney General of the State of California, by Abraham M. Levy,  
25 Deputy Attorney General.

26 2. Respondent TIMOTHY WALSH, L.AC. (Respondent) is represented in this  
27 proceeding by attorney John Mulvana, Esq., whose address is 100 Pacifica, Suite 220, Irvine, CA  
28 92618.

3. On or about June 5, 2001, the Board issued Acupuncture License Number AC 7904 to Timothy Walsh ("Respondent"). The license is current, valid and on inactive status.

JURISDICTION

4. First Amended Accusation No. 1A-2009-35 was filed before the Acupuncture Board of California (Board), Department of Consumer Affairs, and is currently pending against Respondent. The First Amended Accusation and all other statutorily required documents were properly served on Respondent on 1A-2009-35. Respondent timely filed his Notice of Defense contesting the allegations contained in Accusation No. 1A-2009-35. A copy of First Amended Accusation No. 1A-2009-35 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in First Amended Accusation No. 1A-2009-35. Respondent has also carefully read, fully discussed with counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to be represented by counsel at his own expense; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. For the purpose of resolving the allegations in First Amended Accusation No. 1A-2009-35 without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could present a *prima facie* case establishing the factual basis for the charge of unprofessional conduct as alleged in the First Cause for Discipline in First Amended

1 Accusation No. 1A-2009-35. Respondent, further, admits to the allegations detailed in the Second  
2 Cause for Discipline in the First Amended Accusation No. 1A-2009-35, failure to register his  
3 place of business, the Hall Center, with the Board. Respondent hereby gives up his right to  
4 contest those charges.

5 9. Respondent understands and agrees that the charges and allegations in First Amended  
6 Accusation No. 1A-2009-35, if proven at a hearing, constitute cause for imposing discipline upon  
7 his Acupuncture License Number AC 7904. Respondent agrees that his Certificate is subject to  
8 such discipline and agrees to be bound by the Board's imposition of same as set forth in the  
9 Disciplinary Order below.

10 10. Respondent further agrees that if he ever petitions for early termination or  
11 modification of probation, or reinstatement of his license, or if he ever petitions for revocation of  
12 probation, all of the charges and allegations contained in the First Amended Accusation identified  
13 above shall be deemed true, correct and fully admitted by Respondent for purposes of that  
14 proceeding or any other licensing proceeding involving respondent in the State of California or  
15 elsewhere.

#### 16 RESERVATION

17 11. The admissions made by Respondent herein are only for the purposes of this  
18 proceeding, or any other proceedings in which the Acupuncture Board of California or other  
19 professional licensing agency is involved, and shall not be admissible in any other criminal or  
20 civil proceeding.

#### 21 CONTINGENCY

22 12. This stipulation shall be subject to approval by the Acupuncture Board of California.  
23 Respondent understands and agrees that counsel for Complainant and the staff of the Acupuncture  
24 Board of California may communicate directly with the Board regarding this stipulation and  
25 settlement, without notice to or participation by Respondent or his counsel. By signing the  
26 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
27 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
28 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary

1 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
2 action between the parties, and the Board shall not be disqualified from further action by having  
3 considered this matter.

4 13. The parties understand and agree that facsimile copies of this Stipulated Settlement  
5 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and  
6 effect as the originals.

7 14. In consideration of the foregoing admissions and stipulations, the parties agree that  
8 the Board may, without further notice or formal proceeding, issue and enter the following

16 duplicate license at each location.

17           “(c) Any licensee that changes the location of his or her place of practice shall register  
18 each change within 30 days of making that change. In the event a licensee fails to notify the board

21 her application whether or not there has been a change in the location of his or her place of  
22 practice and, if so, the date of that change. The board may accept that statement as evidence of the  
23 change of address.”

24           11.           Section 125.3 of the Code provides,

27 the unpaid costs.

28

1           "(h) All costs recovered under this section shall be considered a reimbursement for costs  
2 incurred and shall be deposited in the fund of the board recovering the costs to be available upon  
3 appropriation by the Legislature.

4           "(i) Nothing in this section shall preclude a board from including the recovery of he costs of  
5 investigation and enforcement of a case in any stipulated settlement. "

5 Inc.<sup>1</sup> The specific device he used was a wand which he would waive over the patient's body parts.

6           19.       In M.N.'s chart note dated October 12, 2007 Respondent recorded a message from  
7 M.N. to remind Respondent to bring his "Laser" for her appointment on October 13, 2007. In his  
8 note Respondent stated, "ok." In his October 13, 2007 medical chart, Respondent recorded her  
9 subjective complaints as "a.a. powder – Irritated stomach and mouth; Biopsy for Sjogrens  
10 (negative); fat tissue is disappearing." He noted her "pulse" as "thin on lt., very weak on rt." He  
11 circled various areas of a tongue diagram on the chart. Under the caption "Protocol" Respondent  
12 checked off a box for "Laser" and wrote "breast, eyes, nose, mouth." Under the caption "Follow-  
13 up Schedule" Respondent checked off "other" and wrote "going to see a toxicologist."

14           20.       Respondent administered laser treatments to M.N.'s legs, body, and eyes. On or  
15 about October 17, 2007 M.N. reported inflammation to her internal medicine doctor in your eyes  
16 and blurred vision.

17           21.       Respondent saw M.N. on November 19, 2007. He charted, for this date, that M.N.  
18 reported left eye "blurriness after (laser treatment) of eyes." He noted, " (eyes) inflamed  
19 imme(diatly) after laser" and (M.N.) thinks it is the surface of the eye. Respondent finally noted  
20 that "(M.N.) improved over the past mo(nth) but not 100% resolved." No other notes or  
21 comments were made.

22           22.       In a note dated December 14, 2007 M.N. reported that she had a "partially  
23 detached retina." Further, Respondent reported that M.N. was bothered by bright light and "plans

24           <sup>1</sup> A laser is a light amplification by stimulated emission of radiation (LASER or laser) and  
25 is a mechanism for emitting electromagnetic radiation, typically light or visible light, via the  
26 process of stimulated emission. The emitted laser light is (usually) a spatially coherent, narrow  
27 low-divergence beam, that can be manipulated with lenses. In laser technology, "coherent light"  
28 denotes a light source that produces (emits) light of in-step waves of identical frequency and  
phase. Conceptual physics, Paul Hewitt, 2002.

1 to submit the bill to 2035, Inc., the Laser Manufacturer. Respondent wrote "use w/ eyes?  
2 Ophthalmologist?" Respondent added, "called my rep [ ] regarding speaking to M.N. or putting  
3 her in contact with manufacturer."

4 23. Lasers are not a modality listed for use by acupuncturists pursuant to Code section  
5 4937. Moreover, laser therapy is not taught in accredited schools of Chinese medicine.

6 24. Further, eye treatments are not common modalities for acupuncturists.

7 25. Respondent did not receive his training on the use of lasers through a Board  
8 approved continuing education course and, further, the manufacturer who provided Respondent  
9 with his training in the use of lasers is not an approved continuing education provider with the  
10 Board.

11 26. Respondent's August 17, 2007 and October 13, 2007 notes do not mention a  
12 treatment plan and/or course of treatment.

13 27. In acupuncture practice the standard of care for a practitioner is a Chinese medical  
14 diagnosis in accordance with the five elements, zang-fu, etc. Particularly in a case where a patient  
15 such as M.N. has a large number of complaints any treatment plan should include different  
16 modalities, acupuncture needling, heat application, moxibustion, herbal supplementation,  
17 nutritional counseling, and other treatments. There is no evidence that Respondent had such a  
18 treatment plan for M.N.

19 28. A licensed acupuncturist has both an ethical and legal obligation to protect his  
20 patient from unapproved treatment methods by his exercise of judgment. Acupuncturists have the  
21 obligation to assess the risks versus benefits of any untested treatment modality and further  
22 consult their peers of the same or similar professional interests if they believe that new methods  
23 may help their patients as an adjunctive therapy to standards of acupuncture practice:  
24 acupuncturists, the Acupuncture Board, medical practitioners among others. Further, there must  
25 be a level of mastery and competence a practitioner needs to have in order to perform any new  
26 techniques: One class typically does not constitute proficiency. Continued workshop training,  
27 certification, and/or working with a mentor are ways to develop a better understanding of the  
28

1 risks and benefits of the new modalities. Respondent failed to demonstrate such proficiency in his  
2 use of laser therapy.

3 29. In addition, Respondent's diagnosis does not support the use of laser therapy on  
4 patient M.N. His notes lack proper and thorough documentation concerning why laser therapy  
5 was necessary.
