3 Consumer Affairs, State of California (Board), under the authority of the following laws. All
4 section references are to the Business and Professions Code (Code) unless otherwise indicated.

5 Section 4955 of the Code states:

10 (commencing with Section 11000) of the Health and Safety Code, or dangerous drug
11 or alcoholic beverage to an extent or in a manner dangerous to himself or herself, or
12 to any other person, or to the public, and to an extent that the use impairs his or her
13 ability to engage in the practice of acupuncture with safety to the public.

14 "(b) Conviction of a crime substantially related to the qualifications, functions,
15 or duties of an acupuncturist, the record of conviction being conclusive evidence

24 from patient to licensee. In administering this subdivision, the board shall consider
25 referencing the standards, regulations, and guidelines of the State Department of
26 Health Services developed pursuant to Section 1250.11 of the Health and Safety Code
27 and the standards, regulations, and guidelines pursuant to the California Occupational
28 Safety and Health Act of 1973 (Part 1 (commencing with Section 6300) of Division 5

3 with the Medical Board of California, the California Board of Podiatric Medicine, the
4 Dental Board of California, the Board of Registered Nursing, and the Board of
5 Vocational Nursing and Psychiatric Technicians, to encourage appropriate
6 consistency in the implementation of this subdivision.

9 scientifically recognized safeguards for minimizing the risk of transmission of
10 blood-borne infectious diseases.

11 "(f) The use of threats or harassment against any patient or licensee for
12 providing evidence in a disciplinary action, other legal action, or in an investigation
13 contemplating a disciplinary action or other legal action.

14 "(g) Discharging an employee primarily for attempting to comply with the
15 terms of this chapter.

16 "(h) Disciplinary action taken by any public agency for any act substantially
17 related to the qualifications, functions, or duties of an acupuncturist or any
18 professional health care licensee.

19 "(i) Any action or conduct that would have warranted the denial of the
20 acupuncture license.

21 "(j) The violation of any law or local ordinance on an acupuncturist's business
22 premises by an acupuncturist's employee or a person who is working under the
23 acupuncturist's professional license or business permit, that is substantially related to

25 subject the acupuncturist who employed the individuals, or under whose

1 "(k) The abandonment of a patient by the licentiate without written notice to the
2 patient that treatment is to be discontinued and before the patient has had a reasonable
3 opportunity to secure the services of another practitioner.

4 "(l) the failure to notify the board of the use of any false, assumed, or fictitious
5 name other than the name under which he or she is licensed as an individual to

8 "(a) A board may deny a license regulated by this code on the grounds that the
9 applicant has one of the following:

10 "(1) Been convicted of a crime. A conviction within the meaning of this section
11 means a plea or verdict of guilty or a conviction following a plea of nolo contendere.
12 Any action that a board is permitted to take following the establishment of a

16 provisions of Section 1203.4 of the Penal Code.

17 "(2) Done any act involving dishonesty, fraud, or deceit with the intent to
18 substantially benefit himself or herself or another, or substantially injure another.

19 "(3) (A) Done any act that if done by a licentiate of the business or profession
20 in question, would be grounds for suspension or revocation of license.

21 "(B) The board may deny a license pursuant to this subdivision only if the
22 crime or act is substantially related to the qualifications, functions, or duties of the
23 business or profession for which application is made.

24 "(b) Notwithstanding any other provision of this code, no person shall be denied a
25 license solely on the basis that he or she has been convicted of a felony if he or she has
26 obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section
27 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a

1 rehabilitation developed by the board to evaluate the rehabilitation of a person when
2 considering the denial of a license under subdivision (a) of Section 482.

3 "(c) A board may deny a license regulated by this code on the ground that the
4 applicant knowingly made a false statement of fact required to be revealed in the
5 application for the license."

6 5. Section 493 of the Code provides

7 "Notwithstanding any other provision of law, in a proceeding conducted by the board
8 within the department pursuant to law to deny an application for license or to suspend or
9 revoke a license or otherwise take disciplinary action against a person who holds a license,
10 upon the ground that the applicant or the licensee has been convicted of a crime
11 substantially related to the qualifications, functions, and duties of the licensee in question,
12 the record of conviction of the crime shall be conclusive evidence of the fact that the
13 conviction occurred, but only of that fact, and the board may inquire into the circumstances
14 surrounding the commission of the crime in order to fix the degree of discipline or to
15 determine if the conviction is substantially related to the qualifications, functions, and
16 duties of the licensee in question. . . ."
